<td>$367.00</td>
<td>$263.00</td>
<td>$244.00</td>
</tr>
</tbody>
</table>

**Note:** Part-time schedule (8:30-2:30) is only available to current families that were grandfathered in. It is no longer available to new families.

- **Academic year payments** are made monthly. To calculate the monthly amount due, multiply the weekly tuition rate by the number of weeks in the contract period (academic year=42 weeks). Then divide by the number of payments required in that period. Example: $308/wk x 42 wks.= $12,936/10 payments. = $1,293.60/monthly tuition payment.
- **Summer payments** are made in three week increments due on the first day of each three week session. Example: $308/wk. x 3 wks.= $924/summer session for preschool.
- **Parents** are charged the full tuition rate when school is closed. The one exception to this is July 2-July 6, 2018 and July 1-5, 2019. (No tuition will be charged for this single week.)
- **Rates** are based on the specific classroom the child attends, not necessarily their age.
- **Families** with more than one child enrolled at the same time receive a 5% discount off the lowest tuition.

**Additional Fees:**

1. **Application fee.** A non-refundable application fee of $25 is charged for each child, due when the “Application” form is submitted in Bumblebee.
2. **Contract fee.** A $50 non-refundable contract processing fee is due with each signed contract submitted.
3. **Tuition deposit.** The deposit is the first payment in advance. It applies to all new children (due when the contract is signed). This deposit is applied to the first payment due at the start of the contract period. If the family wishes to cancel the contract, the tuition deposit will be refunded based on the notification schedule that is outlined in the contract.
4. **Late payment fee.** A late payment fee of 5% of the unpaid balance due will be charged at 21 days due.
5. **Late Pick-up fee.** Parents arriving late to pick up their child are charged a late fee of $20.00 for every 15-minute increment past their scheduled pick-up time.
6. **"Returned check" charge.** An additional $25.00 service charge is added to each check returned from the bank due to insufficient funds.
7. **Summer Holding fee.** (Otters, Bunnies & Foxes only) Our budget requires a certain enrollment throughout the entire summer program. The summer holding fee is charged to parents (of children in the 3-5 year old Preschool rooms) who 1) enroll in fewer than 3 of the summer sessions and 2) who are holding a space for their child for the fall academic year. The holding fee is $50 for each summer session that is declined. Maximum summer holding fee is $150 per child. The holding fee is nonrefundable and is not deducted from tuition. **The summer holding fee option is not available to children in the infant and toddler classrooms (Honeybees, Dragonflies, Owls, Chipmunks & Ducks) Infants and toddlers must stay enrolled for the entire summer program in order to maintain their enrollment space for the fall academic year program.**
