GENERAL EDUCATION REQUIREMENTS (GER)
The requirements in this section apply to students who first enrolled in college after May 20, 1996.

A course taken to satisfy a requirement in the GER section of the checklist may also be used to satisfy one, but only one, requirement in another section of the curriculum. All other required courses may only be used in the major once.

Example: Econ 101 may simultaneously be used to satisfy the GER Quantitative Reasoning B requirement AND the Econ 101 Social Science requirement.

With proper planning, you may be able to fulfill many of the General Education Requirements through courses that are required or allowed in other sections of the curriculum. Although it is possible that other combinations exist, specific courses or categories are listed below to provide you with some guidance in your planning.

| Communication A (unless exempt by placement exam) | 0-3 _____ |
| Designed with an "a" in the Schedule of Classes |
| COM ARTS 100, 181 and L SC COM 100 will also fulfill the Human Ecology Speech Communication Requirement. |

| Communication B | 3-4 _____ |
| Designed with a "b" in the Schedule of Classes |
| Inter-HE 130 will satisfy the Com B requirement |

| Quantitative Reasoning A (unless exempt by placement exam) | 0-3 _____ |
| Designed with a "q" in the Schedule of Classes |
| Math 101, which fulfills the Community & Nonprofit Leadership math requirement, does not fulfill the QR-A requirement. Math 112, 114, 130, 141, and 171 will simultaneously fulfill the QR-A and CNPL math requirements. |

| Quantitative Reasoning B | 3-5 _____ |
| Designed with an "r" in the Schedule of Classes |
| Econ 101, a requirement in the CNPL Social Science category, satisfies the QR-B requirement. |

| Ethnic Studies | 3 _____ |
| Designed with an "e" in the Schedule of Classes |
| Certain Literature, Humanities, Social Science, and HEC Breadth courses may also fulfill the ethnic studies requirement. |

MATH & COMMUNICATION 2-6 credits

Math 101 (unless exempt through placement exam) 0-3 _____
Math 101 does not fulfill the QR-A requirement. Math 112, 114, 130, 141, and 171 and will simultaneously fulfill the QR-A and math requirements.

Speech Communication
COM ARTS 100, 105, 181 or L SC COM 100 2-3 _____

ARTS & HUMANITIES 9 credits

| Literature (choose any literature course designated "L" in the Schedule of Classes) | 3 _____ |
| Humanities (choose two from courses designated "H", "L", or "Z" in the Schedule of Classes to bring total humanities credits to 9) | 3 _____ |

SOCIAL SCIENCE 10-11 credits

ECON 101 (Micro) 4 _____
PSYCH 202 3 _____
Sociology 3-4 _____

PHYSICAL, BIOLOGICAL & NATURAL SCIENCES 12 credits

| PHYSICAL SCIENCE | 3-5 _____ |
| (Choose a minimum of 3 credits with P designation) |

| BIOLOGICAL SCIENCE | 3-5 _____ |
| (Choose a minimum of 3 credits with B designation) |

Choose other course(s) designated P, B, N, W, X or Y in the Schedule of Classes to bring total science credits to 12.

A 2.0 GPA is required for graduation. All failed required courses must be repeated at UW Madison. A minimum of 120 credits is required for graduation.

Freshmen and first-semester transfer students in good academic standing may declare the Community & Nonprofit Leadership program. All other students apply through an application process. Check with the Student Academic Affairs Office for specific application submission deadlines.

  3 _____

Additional Human Ecology Course outside of Inter-HE department  
Choose from courses in departments of CNSR SCI, HDFS, L SC COM,  
DS, NUTRI SCI, or FOOD SCI.  

  3 _____

## COMPLEMENTARY PROFESSIONAL OPTION  
18 credits

Select 18 credits mutually agreed upon by the student and advisor in areas that will enhance the professional focus selected by the student drawing from one or more of the following areas.

### C. Courses that Enhance Professional Practice

Courses outside the School of Human Ecology such as Life Sciences Communication, Journalism, Communication Arts, Sociology, Education, research methods, and/or foreign languages.  
See C. Suggested Professional Practice Courses on pg 3

### D. Courses that Focus on the Context of Professional Practice

Courses related to such phenomena as poverty, rural versus urban life, policymaking, issues of race, ethnicity and gender or other issues and contexts relevant to the students professional focus.  
See D. Suggested Context courses on pg 3

### E. Courses that Strengthen Nonprofit Management

Most in School of Business. Topics like: accounting and financial management, risk management, marketing, entrepreneurship, and human resources. See advisor for suggested courses.

  3 _____
  3 _____
  3 _____
  3 _____
  3 _____

## PROFESSIONAL PRACTICE  
6 credits

- **INTER-HE 399 or 601** Internship  
  6 _____

## ELECTIVES

To fulfill degree requirement of 120 credits

- **INTER-HE 501** SoHE Career and Leadership Orientation Course  
  2 cr

(Provides students with an orientation to Human Ecology, introduction to leadership principles, and exposure to fundamentals of career development. Students will explore essential real-world strategies on resumes, cover letters, interviewing, job search, etc. Most beneficial when taken during fall of junior year or possibly, spring of sophomore year to be prepared for internships.)

Students are encouraged to actively participate in a student organization for development of leadership and professional networking skills. Visit the Wisconsin Involvement Network (WIN) for information about the UW Madison Community and Nonprofit Leaders and Association of Fundraising Professionals.
C. SUGGESTED PROFESSIONAL PRACTICE COURSES

COMMUNICATION ARTS
- COM ARTS 266 Theory & Practice of Group Discussion
